Why Group Benefits?

Why Group Benefits?

Government health plans can provide coverage for such basic medical expenses as hospital charges and doctors' fees. In case of disability, government plans (such as Employment Insurance, Canada/Quebec Pension Plan, Workers' Compensation Act, etc.) may provide some financial assistance.

But government plans provide only basic coverage. Medical expenses or a disability can create financial hardship for you and your family.

Private health care and disability programs supplement government plans and can provide benefits not available through any government plan, providing security for you and your family when you need it most.

Your Group Benefit Program is provided by The Anglican Church of Canada, in partnership with The Manufacturers Life Insurance Company.

The Plan Administrator

The Plan Administrator

The Plan Administrator is the Director of Pensions. Your Employer is responsible for ensuring that all employees are covered for the Benefits to which they may be entitled by submitting all required premiums, reporting all new enrolments, terminations, changes, etc., and by keeping all records up to date.

As a member of the Group Benefits Program, it is up to you to provide your Employer with the necessary information.

Applying for Group Benefits

Applying for Group Benefits

To apply for Group Benefits, you must submit a completed Enrolment or Reinstatement Application form, available from your Employer. Your Plan Administrator then forwards the application to Manulife Financial.

Making Changes

Making Changes

To ensure that coverage is kept up-to-date for yourself and your dependents, it is vital that you report any changes to your Employer. Such changes could include:

change in Dependent Coverage

change of Beneficiary

change in Name

applying for coverage previously
waived

To make such changes, you must complete the Application for Change form, available from your Employer or the Plan Administrator.

The Claims Process

How to Submit a Claim

All claim forms must be correctly completed, dated and signed. Remember, always provide your Group Policy Number and your Certificate number (found on your Group Benefit Card) to avoid any unnecessary delays in the processing of your claim.

Your Employer or the Plan Administrator can assist you in properly completing the forms, and answer any questions you may have about the claims process and your Group Benefit Program.

How to Submit a Claim

Payment of Extended Health Care and Dental Claims

Once the claim has been processed, Manulife Financial will send a Claim Statement to you.

The top portion of this form outlines the claim or claims made, the amount subtracted to satisfy deductibles, and the benefit percentage used to determine the final payment to be made to you. If you have any questions on the amount, your Plan Administrator will help explain.

The bottom portion of this form is your claims payment, if applicable. Simply tear along the perforated line, endorse the back of the cheque and you can cash it at any chartered bank or trust company.

You should receive settlement of your claim within three weeks from the date of submission to Manulife Financial. If you have not received payment, please contact your Plan Administrator.

Claim Payment

Co-ordination of Extended Health Care and Dental Care Benefits

If you or your dependents are insured for similar benefits under another Plan, Manulife Financial will take this into account when determining the amount of expenses payable under this Program.

This process is known as Co-ordination of Benefits. It allows for reimbursement of insured medical and dental expenses from all Plans, up to a total of 100% of the actual expense incurred.

Plan means:

- other Group Benefit Programs;
- any other arrangement of coverage for individuals in a group; and
- individual travel insurance plans.

Plan does not include school insurance or Provincial Plans.

Order of Benefit Payment

A variety of circumstances will affect which Plan is considered as the "Primary Carrier" (i.e., responsible for making the initial payment toward the eligible expense), and which Plan is considered as the "Secondary Carrier" (i.e., responsible for making the payment to cover the remaining eligible expense).

*Co-ordination of
Extended Health Care
and Dental Care
Benefits*

*Order of Benefit
Payment*

The Claims Process

If the other Plan does not provide for Co-ordination of Benefits, it will be considered as the Primary Carrier, and will be responsible for making the initial payment toward the eligible expense.

If the other Plan does provide for Co-ordination of Benefits, the following rules are applied to determine which Plan is the Primary Carrier.

- For Claims incurred by you or your dependent spouse:

The Plan insuring you or your dependent spouse as an employee/member pays benefits before the Plan insuring you or your spouse as a dependent.

In situations where you or your dependent spouse have coverage as an employee/member under more than one Plan, the order of benefit payment will be determined as follows:

- The Plan where the person is covered as an active full-time employee, then
 - The Plan where the person is covered as an active part-time employee, then
 - The Plan where the person is covered as a retiree.
- For Claims incurred by your dependent child:

The Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

However, if you and your spouse are separated or divorced, the following order applies:

- The Plan of the parent with custody of the child, then
- The Plan of the spouse of the parent with custody of the child (i.e., if the parent with custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the dependent child), then
- The Plan of the parent not having custody of the child, then
- The Plan of the spouse of the parent not having custody of the child (i.e., if the parent without custody of the child remarries or has a common-law spouse, the new spouse's Plan will pay benefits for the dependent child).

Where you and your spouse share joint custody of the child, the Plan covering the parent whose birthday (month/day) is earlier in the calendar year pays benefits first. If both parents have the same birthdate, the Plan covering the parent whose first name begins with the earlier letter in the alphabet pays first.

The Claims Process

A claim for accidental injury to natural teeth will be determined under Extended Health Care Plans with accidental dental coverage before it is considered under Dental Plans.

If the order of benefit payment cannot be determined from the above, the benefits payable under each Plan will be in proportion to the amount that would have been payable if Co-ordination of Benefits did not exist.

If the insured person is also covered under an individual travel insurance plan, benefits will be co-ordinated in accordance with the guidelines provided by the Canadian Life and Health Insurance Association.

Submitting a Claim for Co-ordination of Benefits

To submit a claim when Co-ordination of Benefits applies, refer to the following guidelines:

As per the Order of Benefit Payment section, determine which Plan is the Primary Carrier and which is the Secondary Carrier.

Submit all necessary claim forms and original receipts to the Primary Carrier.

Keep a photocopy of each receipt or ask the Primary Carrier to return the original receipts to you once your claim has been settled.

Once your claim has been settled by the Primary Carrier, you will receive a statement outlining how your claim has been handled. Submit this statement along with all necessary claim forms and receipts to the Secondary Carrier for further consideration of payment, if applicable.
